

**Week of Love and Growth**  
**Promoting Positive Values and Attitudes through English Sayings of Wisdom**  
**2023/24**

**Activities – “We Share, We Stick”**

**Theme: “In Love We Share, In Love We Grow”**

**When: 10<sup>th</sup> May 2024 (Morning Assembly- English Friday – live broadcast to the Upper Hall)**

**Where: Lower Hall**

**Target: Whole School**

**Aims:**

- To connect English Language education with values education.
- To enrich students’ English learning experiences and foster the development of positive values and attitudes through appreciating the beauty and meaning of English sayings of wisdom.

**Details:**

Building on the success of the SOW Campaign in the past two years, the SOW Campaign 2023/24 will continue to feature various student activities and learning and teaching resources to sustain the momentum and growing impacts of building a positive school culture.

The overarching theme of the campaign this year is “**In Love We Share, In Love We Grow**”. Together with six sub-themes, namely “**Love Our Country**”, “**Love the Community**”, “**Love Our Family and Friends**”, “**Love Myself**”, “**Love Learning**” and “**Love Nature**”, the campaign this year aims to engage students in exploring the various manifestations of love across different dimensions.

Students were exposed to different sayings of wisdom in different sub-themes in the English lessons. They were then given tree cut out to design with their own reflection. They were gathered on a special morning assembly on 10<sup>th</sup> May, 2024, where each English teacher presented their own tree cut out with their own students. They then took turns to put their tree cut out to decorate the big tree located at the back of the lower hall. It was a touching, loving and interactive morning assembly as a number of students devoted their love to their mothers thanks to the upcoming Mother’s Day.
